an Algerian student with a temp. residency permit in Ukraine started an asylum procedure in Switzerland (he travelled through Poland and Germany). If he gets a negative answer in Switzerland, can he go back to Germany and start any procedure here? Will he be sent back to Switzerland (under Dublin proc.)? Will his chances increase if the new law is implemented in Germany?	The chances of asylum being granted in Germany but not Switzerland are low. Even entering Germany will be difficult. Poland is a safe country, so Dublin should apply. Whether or not the new law would have any effect depends entirely on what the law covers; this is not yet known. Having already applied for asylum means the new law probably will not apply to that person, but the Swiss-German connection makes it even more complicated. Please seek an individual consultation with asylum counselling/lawyer. Seeking options in Switzerland may be a better option.
can someone with ukraine permanent resident register and what is the persons benefit and can he or she work?	Yes, persons with permanent residence can register under the EU Directive/the German law § 24 AufenthG. This means having social security (some money, health insurance). Working should be possible, but the details have not yet been finalized. The permit is for one year, which may be extended to three years. Please check the in-depth information on § 24 AufenthG.
pls the wife is Ukrainian but he isn't . He came to Germany , wife isn't here yet. What should he do?	Spouses of Ukrainians are covered by the EU directive/the German law § 24 AufenthG. The details have not yet been finalized. Please check the in-depth information on § 24 AufenthG. The family had to have been (legally resident) in Ukraine until Feb 24, but it does not mean that the family had to leave Ukraine together.
Someone applied for a language school here they want to give her visa certificate will that give her access to get visa from immigration (2) how can some one get humanitarian protection?	Humanitarian protection may be possible via the EU Directive, the German law § 24 AufenthG § 25 AufenthG or in exceptional cases, under asylum law. This depends on the circumstances of the individual. Please check which groups fall into which categories to find information on your situation or seek advice from asylum counselling/a lawyer.

<p>We have a student from Nigeria the has been living with us since Friday and now living at a Bekante. He got a stamp in his passport when entering Poland, then left the passport with someone in Poland but stayed on the train to Berlin. He had been studying Major A in Nigeria before going to Ukraine but had to study Ukrainian in order to continue. He had been in Ukraine for 2,5 months before the war and had a student visa until October (he has it here). There is no reason for him now to try to continue to study Ukrainian. He also now wants to study Major B instead of Major A. We have tried to get his passport to be sent to Germany to our address but we don't understand when it will be sent or when we receive it. He doesn't want to go to the embassy. My question is more or less: is there anything we should advise with regards to the missing passport? And studies? General question if there is time: What counts as proof that someone was in the Ukraine on the 24th? Do you mean a passport with entry before that and leaving the country after it? Or is it enough with for instance Student visa that was valid on the 24th of February?</p>	<p>If the passport does not reappear, going to the embassy will be necessary. It is unclear what counts as proof of being in Ukraine, but anything that shows the circumstances, visa, stamps, train tickets etc. should be accepted. Please read the information on options for studying in Germany.</p>

<p>QUESTIONS HELPERS</p>	
<p>Ein Mensch mit Pass aus der demokratischen Republik Kongo mit befristetem Aufenthaltstitel in der Ukraine, der schon nach Belgien über Deutschland eingereist ist, soll er sich in Belgien registrieren? Wenn er sich in Belgien registriert, darf er später einen Visum für Deutschland beantragen, falls am 23.03. die neue Verordnung in Kraft tritt?</p>	<p>Wenn er sich in Belgien registriert, wird er entsprechend der EU-Richtlinie verteilt und kann nicht frei über seinen Aufenthaltsort entscheiden (es sei denn, etwas anderes ergibt sich aus belgischem Recht). Die Beantragung eines Aufenthaltstitels in Deutschland dürfte nicht möglich oder sehr schwer möglich sein. Es bedürfte hierzu eine individuelle Rechtsberatung.</p>
<p>Wir haben eine Person aus Guinea bei uns aufgenommen. Er hat in der Ukraine Asyl beantragt und hat ein Dokument, dass das bestätigt. Er möchte jetzt hier in Deutschland Asyl beantragen. Würdest du ihm empfehlen das jetzt direkt zu machen? Er wurde in Frankfurt Oder von der Polizei aufgegriffen und wurde da polizeilich erfasst. Das noch zur Extrainformation. Liebe Anne, liebe Edith,</p> <p>vielen, vielen Dank für eure tolle Arbeit.</p> <p>Ich habe jetzt noch ein paar Fragen zu den Studentenvisa.</p>	<p>Asyl sollte NUR nach einer individuellen Beratung erfolgen (Anwält*in/Asylberatungsstelle usw.). Er könnte bereits unter der EU Richtlinie, die in § 24 AufenthG in Deutschland umgesetzt wird fallen. Damit erhielte er besseren Schutz als bei einem Asylverfahren. Das neue Gesetz wird hoffentlich Klarheit schaffen. Es empfiehlt sich auch hierzu eine Einzelberatung.</p> <hr/> <p>Ja, man kann sich für ein Studium bewerben, wenn man älter als 25 ist.</p>

<p>Und zwar hosten wir gerade 2 Nigerianer, die in der Ukraine studiert haben. Sie fragen nun, was ihre beste Option ist, um hier zu bleiben. Können Sie sich hier für ein Studium bewerben, wenn sie über 25 Jahre alt sind?</p> <p>Sie fragen sich auch, ob es ausreicht, wenn sie bei einem Verwandten unterkommen können, der hier in Deutschland wohnt oder ob das Geld auf dem Konto sein muss? Also wenn sie hier jemanden kennt, der ihnen Unterkunft und Essen zur Verfügung stellt, können sie dann auch den Sprachkurs machen.</p> <p>Viele Grüße Denise</p>	<p>Ein Sperrkonnto ist nicht erforderlich, wenn anderweitig nachgewiesen werden kann, dass alle Kosten gedeckt wären. Hierzu bräuchte es einer Verpflichtungserklärung usw.</p> <p>Das gilt auch für einen Sprachkurs.</p>
<p>do you think is safe for me to travel from Berlin to Hamburg because im a foreigner from Ukraine but I have all my document valid</p>	<p>Legally speaking, yes. Trains in general are safe and on that route, there should also be no police checks etc.</p>
<p>Du hast gesagt, dass es theoretisch so ist, dass wir uns als Host strafbar machen, wenn wir einer Person helfen, wo der Status nicht klar ist. Wäre es dann besser, dass er in die Landesaufnahmestelle geht oder macht es am Ende keinen Unterschied ob er bei uns "wartet" oder dort? Was ist besser für alle? Er ist registriert und sie haben damals auch meinen (deutschen) Pass kopiert... auf dem Dokument, dass wir haben steht aber nicht unsere Adresse und ich habe damals nur gesagt, dass ich ihn begleite um ihm zu helfen</p>	<p>Keine Sorge. Aufgrund der erlassenen Übergangsverordnung dürfte keine Strafbarkeit vorliegen, sofern die Person sich vor dem 24.4. in der Ukraine aufgehalten hat und dann nach Deutschland kam. Diese Personen dürfen sich bis zum 23.5. in Deutschland aufhalten.</p> <p>Es wird sich sehr bald klären, wie die EU Richtlinie in Deutschland in § 24 AufenthG umgesetzt wird und wer längeren Schutz bekommt.</p>
<p>Es tut mir leid, ich habe hier ein lautes Baby und habe die 3 Personenkreise nicht klar verstanden. Darum meine Frage: Ist ein Nigerianer, welcher seit November 2021 bis 03. März in der Ukraine studiert (political Economics) hat Teil dieses Personenkreises? Ich fühle mich seitens der Behörden total allein gelassen und möchte unseren Gast nicht einfach vor die Tür setzen. Die Infos zum Asyl (den er wie von euch empfohlen) sind ihm bekannt und wird er nicht beantragen. und DANKE dass ihr das macht und euch WIEDER und WIEDER den gleichen Fragen stellt! 😊</p>	<p>Wer in der Ukraine studiert und keinen dauerhaften Aufenthaltsstatus hat, fällt wahrscheinlich nicht unter diesen geschützten Personenkreis, es sei denn es liegen Gründe vor, warum er nicht in sein Heimatland zurückkehren kann.</p> <p>Es wird sich sehr bald klären, wie die EU Richtlinie in Deutschland in § 24 AufenthG umgesetzt wird und wer längeren Schutz bekommt.</p>

<p>Erst einmal danke euch allen für die wertvollen Informationen! Ein Freund von mir in Berlin betreut einen Mann mit iranischer Staatsangehörigkeit, der aus der Ukraine fliehen musste. Er hat sich wohl gestern registrieren lassen und ihm wurde gesagt, dass er an einen anderen Ort in Deutschland geschickt werden soll. Hätten wir euren Ratschlag gestern schon gehört, dann hätten wir das verhindert..Ist es möglich diese Registrierung zurückzuziehen? Vielen Dank.</p>	<p>Die Registrierung kann nicht zurückgezogen werden. Es werden mit der Zeit höchstwahrscheinlich alle Menschen verteilt – man kann leider nicht viel machen.</p> <p>Hoffentlich wird sich in den nächsten Wochen noch einiges klären und Menschen mit andere Aufenthaltsmöglichkeiten weiterhin dort bleiben können.</p>
<p>Danke erstmal für eure tolle Arbeit! Ich hoste momentan drei junge Marokkaner, die mit einem temporary student Visa in der Ukraine Medizin studiert haben. Die drei haben sich schon entschieden, dass sie gerne versuchen würden in Deutschland zu bleiben um sich hier auf einen Studienplatz zu bewerben, um fertig zu studieren. Liebe Edith, liebes Team,</p> <p>Erst einmal ein großes Dankeschön für eure tolle und wichtige Arbeit :)!!</p> <p>Ich hoste momentan drei junge Marokkaner (alle 21 Jahre), die mit einem temporary Permit in der Ukraine Medizin studiert haben. Bevor also überhaupt an das Studium zu denken ist, wäre es ja sinnvoll die Sprache zu lernen.</p> <p>A) Wenn ich es recht verstanden habe, wäre jetzt also der erste Schritt, die Zeit bis zum 23.5 zu nutzen, um sich für ein Sprachkurs-Visum zu bewerben?</p> <p>B) Auch hierfür bräuchten sie schon denn Nachweis über 10.332 € auf dem Konto, wenn ich es Recht verstanden habe? Wenn ich hierfür hafte, muss ich dann meine Kontodaten offen legen?</p>	<p>A) Wenn ich es recht verstanden habe, wäre jetzt also der erste Schritt, die Zeit bis zum 23.5 zu nutzen, um sich für ein Sprachkurs-Visum zu bewerben? Wenn ich hierfür hafte, muss ich dann meine Kontodaten offen legen?</p> <p>Die Personen selbst müssen dieses Konto besitzen, oder eine Verpflichtungserklärung einer anderen Person vorlegen (die wiederum finanzielle Informationen vorweisen muss). Wer einer Verpflichtungserklärung unterschreibt, sollte sich sehr darüber informieren vorher, da man unbegrenzt finanziell haftet (nicht nur diese 10K EUR).</p> <p>C) Falls sie dieses Sprachvisum bekommen, könnten sie sich dann für ein Studienvisum bewerben, für dass sie einen Studienplatz bekommen müssten, der aber nicht garantiert ist? Es heißt es könnte, wenn es ganz schlecht läuft sein, dass sie 1 Jahr die Sprache hier lernen und dann doch nicht bleiben können um zu studieren?</p> <p>Ja, das ist leider korrekt.</p> <p>D) Die rechtliche Lage ist ja weiterhin etwas unklar, was Drittstaatler Geflüchtete angeht, würden Sie empfehlen nochmal abzuwarten, ob hier Entscheidungen getroffen werden, die die gleichen Rechte</p>

<p>Erstmal vielen herzlichen Dank für Ihren Einsatz! Die Meetings und die vielen Auskünfte sind super hilfreich. Wenn ich es richtig verstehe, benötigen alle Visa-Varianten (Ausbildungssuche für unter 25-Jährige, Studium-, Arbeitsvisa) finanzielle Rücklagen oder Verpflichtungserklärungen. Das scheint mir für eine Vielzahl der Geflüchteten fast unmöglich. Halten Sie es für wahrscheinlich, dass diese Regelungen gelockert werden, oder dass die Drittstaat-Geflüchteten doch noch unter §24 fallen werden? Letzteres scheint ja noch offen zu sein (Flüchtlingsrat verweist, es sei nicht klar, wie Deutschland den EU-Beschluss genau umsetzen wird). Ich weiß, niemand kann die Zukunft vorhersehen, aber die letzte Verordnung zum legalen Aufenthalt bis 23.5. wurde ja auch antizipiert, Besten Dank!</p>	<p>Es wird bei allen Varianten verlangt, dass Menschen ihre Lebenshaltungskosten usw. abdecken können. Ich gehe nicht davon aus, dass diese Regelungen gelockert werden.</p> <p>Ob diese Personen doch unter § 24 AufenthG fallen, wird sich hoffentlich in den nächsten Tagen klären.</p>
<p>I am here from the volunteer Housing Programme at ZOB and HBF. We have a lot of people arriving with unclear visa status that fall under the categories you just described. We already tried to shift our focus onto people who are especially vulnerable in these positions ...but still it is hard to get in contact + actually then also further help/contacts. Would you as experts recommend that we care especially for accomodations for these people? And</p>	<p>Unfortunately, we cannot really issue a recommendation concerning local accommodations. As all refugees with rightful residence in Ukraine are here on a legal basis, it should not lead to any problems accommodating them.</p> <p>For more information, please consider our information for students.</p>

<p>do you have a flyer already that we could hand out?</p> <p>Hallo und vielen Dank für alles! Ich hoste gerade meinen Cousin, der in der Ukraine studiert hat. Ich habe verstanden, dass wir wenn möglich erstmal noch warten, bevor wir irgendwelche Sozialamtsachen beantragen. Aber was ist, wenn er zB einen Unfall baut. Wie sieht es dann aus mit der Versicherung? danke für die Antwort.</p>	<p>Soweit keine Sozialleistungen beantragt werden, besteht tatsächlich auch keine Krankenversicherung. Die Frage zum Thema Unfall- bzw. Haftpflichtversicherung ist leider noch nicht klar, wir nehmen diese Frage nochmal mit!</p> <p>Da die Haftpflichtversicherung eine „private“ Angelegenheit ist, ist die Haftpflichtversicherung nicht grds. von öffentlichen Leistungen abgedeckt. Es gibt einige wenige Kommunen, die eine sog. Sammelversicherung für Flüchtlinge eingerichtet haben. Hier wäre es notwendig, sich bei der Kommune über etwaige derartige Angebote zu informieren. Ein solches Angebot ist aber die Ausnahme. Dann müsste eine „normale“ Haftpflichtversicherung abgeschlossen werden.</p>
<p>Ein Mann und eine Schwangere Frau (Geburt:September), in der Ukraine studiert, bzw bisher nur Sprachkurs dort gemacht, seit ca einem Jahr in der Ukraine. Sie wollte Pharmacy o.ä. studieren. Er hat sich noch nicht entschieden. Beide haben Resident Permit Card gültig bis Herbst 2022. Sie hat Original bei sich. Er hat alle Dokumente (Resident Permit, Passport) auf Flucht verloren, nur Kopien bei sich (in schlechter Qualität).</p> <p style="text-align: center;">Beide aus Algerien, Sprachen: Arabisch, Französisch, wenig English, ganz wenig Deutsch. Beide wahrscheinlich älter als 25. Zurück nach Algerien ist keine Option.</p> <p>Fragen:</p> <ul style="list-style-type: none"> -haben sie eine realistische Chance in Deutschland zu studieren? -Was brauchen sie für die Studien Anmeldung? Welche Dokumente (Original/Kopie?) Welche Voraussetzungen? -Wo können sie sich bewerben, wo bekommen sie Überblick wer Studienplätze für BIPOC aus der Ukraine anbietet? -Sichert die Geburt ihres Kindes ihnen u.u. einen Aufenthalt wenn die Frau in Deutschland ihr Kind gebärt? Wenn ja wie genau? 	<p>-Die Voraussetzungen für ein Studium in Deutschland hängen von mehreren Voraussetzungen ab, die noch nicht vollständig geklärt sind, deshalb kann noch nicht sicher gesagt werden, ob die Chancen auf einen Studienplatz realistisch sein werden.</p> <p>-Bitte lest die Informationen zum Studium, die wir zusammengestellt haben und die Informationen zum Thema Studium weiter oben im Dokument.</p> <p>-Es muss Kontakt zu einzelnen Universitäten aufgenommen werden, hier gibt es leider keine pauschale Herangehensweise.</p> <p>-Die Geburt des Kindes in Deutschland sichert den Eltern nicht automatisch einen</p>
